

ANNOUNCEMENT

September 5, 2017

Eastlink Park is pleased to announce our new General Manager, Marcus Amerl. Marcus has had the opportunity to acquire skills in ski hill management throughout his youth as his father was the manager at Fortress and Drumheller ski resorts. The past two seasons Marcus has been at Troll Resort in Quesnel BC.

Marcus has worked in many areas of ski hill operations but his passion truly lies in creating a fun atmosphere for youth and families, terrain parks and working with youth to build the ski industry.

Marcus looks forward to working with the terrific team at Eastlink Park as they create a fun, friendly, family experience for our community.
